# Viewing Final Exam Details
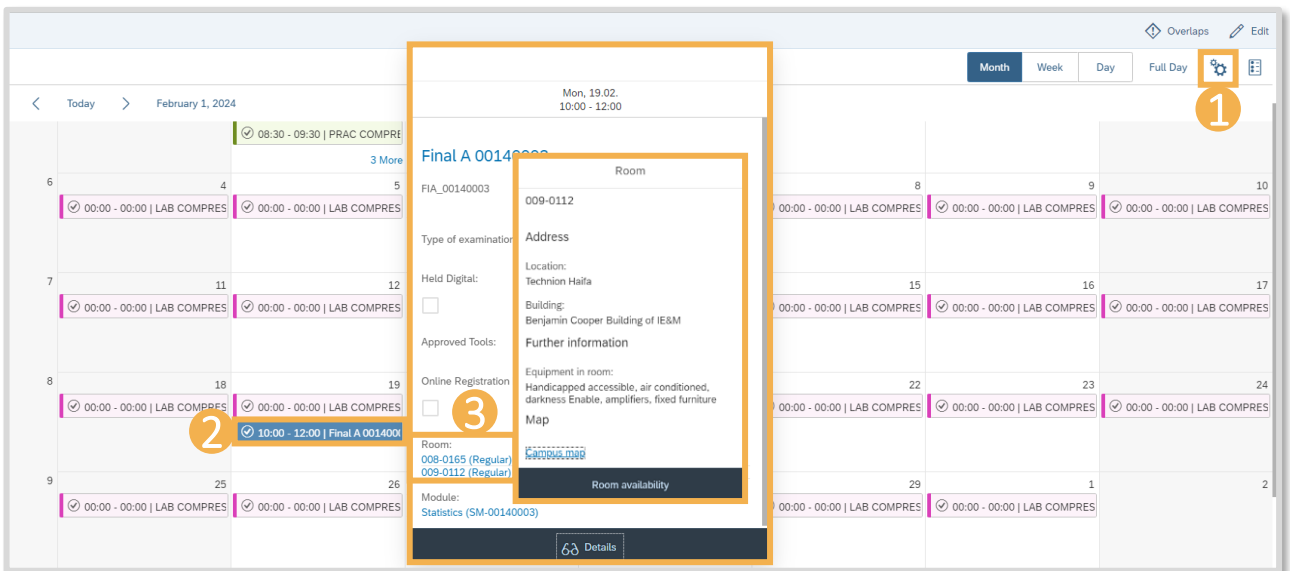

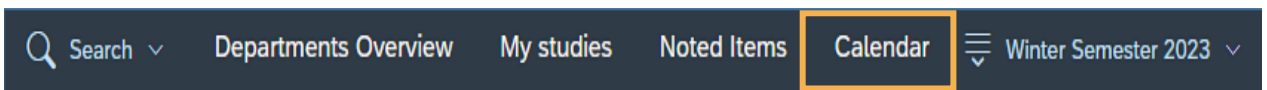

Entering catalog

In the student portal click on the tab **Campus** and then on **Online Course Catalog**.

To view the details of the final exams to which you are registered, enter the calendar

1 Make sure in settings ⚙ that all registered items are displayed

2 Click on the wanted exam to view further details such as date, time, room etc.

Notice! Check the exam's assigned room three days prior to the exam

3 By clicking on the room number, you can view the building name and additional information
